

## DO YOU KNOW HIM?

"Revealer of Truth"

John 16:12-15

### INTRODUCTION:

1. The Bible is the inspired, inerrant, infallible, authoritative, sufficient and effective Word of God.

a) **Divine Inspiration** - is the activity of the Holy Spirit whereby He enabled certain people to receive God's **special revelation** (meaning "**unveiling**" (apocalypse) and to speak it or write it without error or omission. (2 kinds of revelation)

1) **General Revelation** - means that God has written the message of His existence in Creation. Through the heavens above and the world around us!

a. **Psalm 19:3**

2) **Special Revelation** - God reveals Himself through His Son and through the written Word.

3) **Verbal Inspiration** - meaning the very words are inspired

4) **Plenary Inspiration** - that only the 66 books contained in our Bibles are inspired.

b) **Inerrancy** - the Scriptures are without error. They are perfect.

c) **Authoritative** - The Bible has the right to rule in our lives, because it is the voice of God.

d) **Sufficiency** - There is no issue in life that is not addressed in the Bible.

e) **Effective** - *Hebrews 4:12*

2. **Psalm 19:7-11**

3. **Psalm 119 is the longest chapter in the Bible.** A testimony to inspiration.

4. **2 Peter 1:20-21**

5. **John 18:37-38**

1) "**Agnostic**" - means "**without knowledge**"

b) The **Rationalist** says that human reason and experience are the ultimate criteria for determining truth.

c) The **Pragmatist** says that truth is whatever works.

d) The **Religionist** attempts to understand God through man-made efforts.
